The International Order of The Rainbow for Girls is a  
501 (c) (3) organization  
and contributions to it are tax deductible to the extent allowed by law.

**Supreme Assembly  
International Order of the Rainbow for Girls  
Century Campaign**

**The Organization**

The International Order of the Rainbow for Girls (IORG) was founded in 1922 by W. Mark Sexson in McAlester, Oklahoma, and has grown to become an international service organization for girls ages 11 to 20. Rainbow prepares girls for responsible and purposeful adulthood. With distinguished alumnae including prominent professionals from all walks of life, Rainbow has active assemblies in forty-six states and eight countries around the world. Through leadership training, challenging study, and meaningful public service projects, girls learn important life lessons. In addition to countless hours of community service, members raise hundreds of thousands of dollars each year for world class charities. The International Order of The Rainbow for Girls is a 501 (c) (3) charitable organization.

**The Supreme Temple**

The Rainbow Temple was built in 1951 in the heart of McAlester, Oklahoma, where it endures as a historic landmark and the center of Rainbow activity. Designed by our founders as a working headquarters of functional offices, supply and shipping departments, it also included archival and ceremonial capabilities. Built with funds collected “by Rainbow Girls for Rainbow Girls”, this historic building houses artifacts from Rainbow Girls all over the world. A visit to the Rainbow Temple is the dream of a lifetime for every Rainbow Girl, past and present - a place she is welcome to call her own and find her treasures on display.

The International headquarters is a three story brick, steel and concrete structure flanked on either side by half circle windows composed of seven sections of glass windows representing the seven colors of the Rainbow. Materials for the building came from throughout the world: red granite from Minnesota, brick from Texas, stone from Indiana, marble from Vermont, terrazzo from Italy, hardware from Connecticut, tile from California, doors from New York, windows from Florida, and roofing and flooring from Oklahoma. This amalgamation of materials symbolically reflects the international significance of the organization. It is architecturally significant as an excellent example of mid-twentieth century Moderne Style building and a unique architectural representation of IORG. The Supreme Temple was added to the National Register of Historic Places in 2013.

The Supreme Temple serves as Rainbow’s world-wide headquarters. Our staff direct and support the business affairs of Rainbow, maintain our database and records, manage our supply and shipping departments and provide administrative support for all programs and projects from this location.

**Restoration and Improvement**

The Rainbow Temple has been gently used and cared for these six decades in order to maintain it as a center for all Rainbow Girls throughout the world. Nevertheless, resources are now needed to replace the original HVAC system and take other measures to preserve the building and its contents. Since conducting a comprehensive assessment of the building in 2012, the roof was replaced, interior repairs and repainting were done, and plumbing and electrical issues addressed as funds were available. Further restoration has been divided into three phases:

- ~ Phase I - The largest and most urgent issue facing the Supreme Temple is the replacement of the original HVAC system. The expected life span of the HVAC system was 35 years, and the system is now over 65 years old. Major repairs to the system through the years have proven costly and resulted in our inability to maintain sufficient funds to replace the system. It is now a critical matter as replacement parts have become unavailable, making repairs impossible to perform. The HVAC system must be replaced immediately.
- ~ Phase II – Re-glazing and sealing windows and brick grout will prevent leaks and damage to the interior of the building, as well as reduce utility bills and allow the new HVAC system to be more energy efficient.
- ~ Phase III – Establishing a maintenance account will provide funding for maintenance and future major repairs and updates.

**Century Celebration**

As the International Order of the Rainbow for Girls celebrates its’ 100<sup>th</sup> anniversary in 2022, the Supreme Temple will be celebrating its’ 70<sup>th</sup> anniversary. This celebration will recognize the accomplishments of the past while embracing the opportunities of the future. Our Supreme Temple, the heart of our organization, must be preserved for future generations. Together, we can accomplish our goals, and the completion of the Century Campaign will be the testimony to the strength and determination of generations of Rainbow Girls who have learned that, by working together, ***anything is possible.***

**Campaign Goal: Raise \$900,000 by Centennial Celebration**

➤  Phase I: Raise \$390,000 to replace HVAC system by 2018 - *COMPLETED 2018!!!*

➤ Phase II: Raise \$390,000 by 2022 to seal windows and brick to prevent further damage and improve energy efficiency

➤ Phase III: Raise \$120,000 by 2024 to maintain the Supreme Temple for generations of Rainbow Girls to come

**Supreme Assembly, IORG  
Century Campaign Phase II Update 1  
August 6, 2021**

The International Order of the Rainbow for Girls (IORG) reports the following:

- Phase I of the Century Campaign has been completed.
- After further inspections and subsequent damage from the elements not covered by insurance it was determined that a complete tuck pointing of the entire exterior of the building is needed to stop the water penetration that occurs during severe storms. A restoration company has inspected the building. Due to the land issues, a man lift cannot be used to gain access to the building exterior to perform the work. Scaffolding will need to be built around the exterior of the building rather than using heavy equipment in either parking lot. This scaffolding adds a considerable cost to the repairs. If the repairs are done in phases the scaffolding will have to be put in and taken out each time. If all repairs are done at once, the scaffolding is a one time charge. The revised estimate for Phase II is:

Mobilization and Access	\$ 97,525.00
Exterior Tuckpointing	\$217,325.00
Capstone Caulking	\$ 18,860.00
Window Perimeters	\$ 20,675.00
Window Glazing	\$ 30,650.00
Control Joints	<u>\$ 3,475.00</u>
<b>TOTAL =</b>	<b>\$388,510.00</b>

**Supreme Assembly, IORG**  
**Century Campaign Phase II Update 2**  
**June 30, 2022**

The International Order of the Rainbow for Girls (IORG) reports the following:

- While the Century Campaign Phase II is ongoing, donations have decreased significantly at this time. This is due primarily to COVID and the effects of the pandemic on fundraising.
- Work must begin on the exterior tuckpointing, caulking and glazing. So, we are dividing it into sections. We hope to have sufficient funds to begin on the West side of the Temple in late Summer or early Fall.

**Supreme Assembly, IORG  
Century Campaign Phase II Update 3  
August 31, 2022**

The International Order of the Rainbow for Girls (IORG) reports the following:

- At the recent opening session of the Supreme Assembly on August 1, 2022 in Oklahoma City, the Most Worshipful Grand Master of the Ancient Free and Accepted Masons of Oklahoma, Mr. Scott Vincent, was joined by Mr. John L. Logan, Executive Director of the Masonic Charity Foundation of Oklahoma at the podium where they presented our Supreme Worthy Advisor, Mrs. Judy Fortenberry, with a check for \$100,000.00 representing a grant from the Masonic Charity Foundation of Oklahoma on behalf of the Masonic Fraternity of Oklahoma. These funds are intended to support the Century Campaign Phase II.
- In addition to this donation, the Masons of Oklahoma have challenged all supporters of Rainbow to support the restoration of the Supreme Assembly International Headquarters Century Campaign Phase II. To that end, they have issued this challenge: The Masons of Oklahoma will match dollar for dollar up to \$100,000 all donations made from August 1, 2022 through December 31, 2022.
- Below is a Summary of the Matching Funds Challenge Donations that have been received as of August 31, 2022.

Total Funds to be Matched:	\$100,000.00	
Funds Received:	\$ 57,972.50	as of 08/31/2022
Remaining Funds to be Matched:	\$ 42,027.50	as of 08/31/2022

- Due to price increases in materials since Update 1 the revised pricing for Phase II is:

Mobilization and Access	\$ 99,480.00
Exterior Tuckpointing	\$221,680.00
Capstone Caulking	\$ 19,240.00
Window Perimeters	\$ 21,090.00
Window Glazing	\$ 31,270.00
Control Joints	<u>\$ 3,550.00</u>
<b>TOTAL =</b>	<b>\$396,310.00</b>
